

iqigai Campus

Installation & Assessment Guide

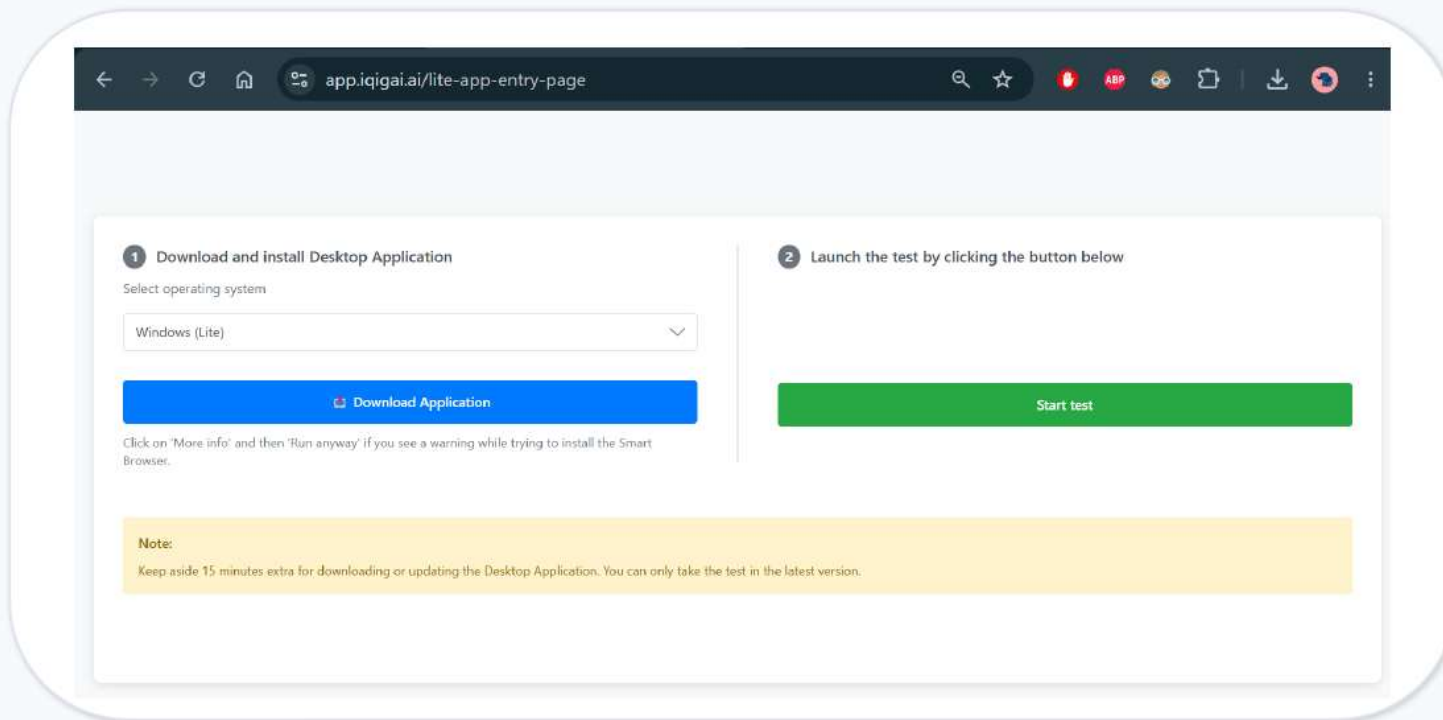

Guide structure

1. Download links
2. Mac installation
3. Windows installation
4. Sign-up & login
5. Assessment setup
6. Assessment & submission

GETTING STARTED

Download the application

Use the correct installer for your operating system.

Use only the authorized download links above. Security warnings during installation are covered in the next sections.

SECTION 1

Mac installation

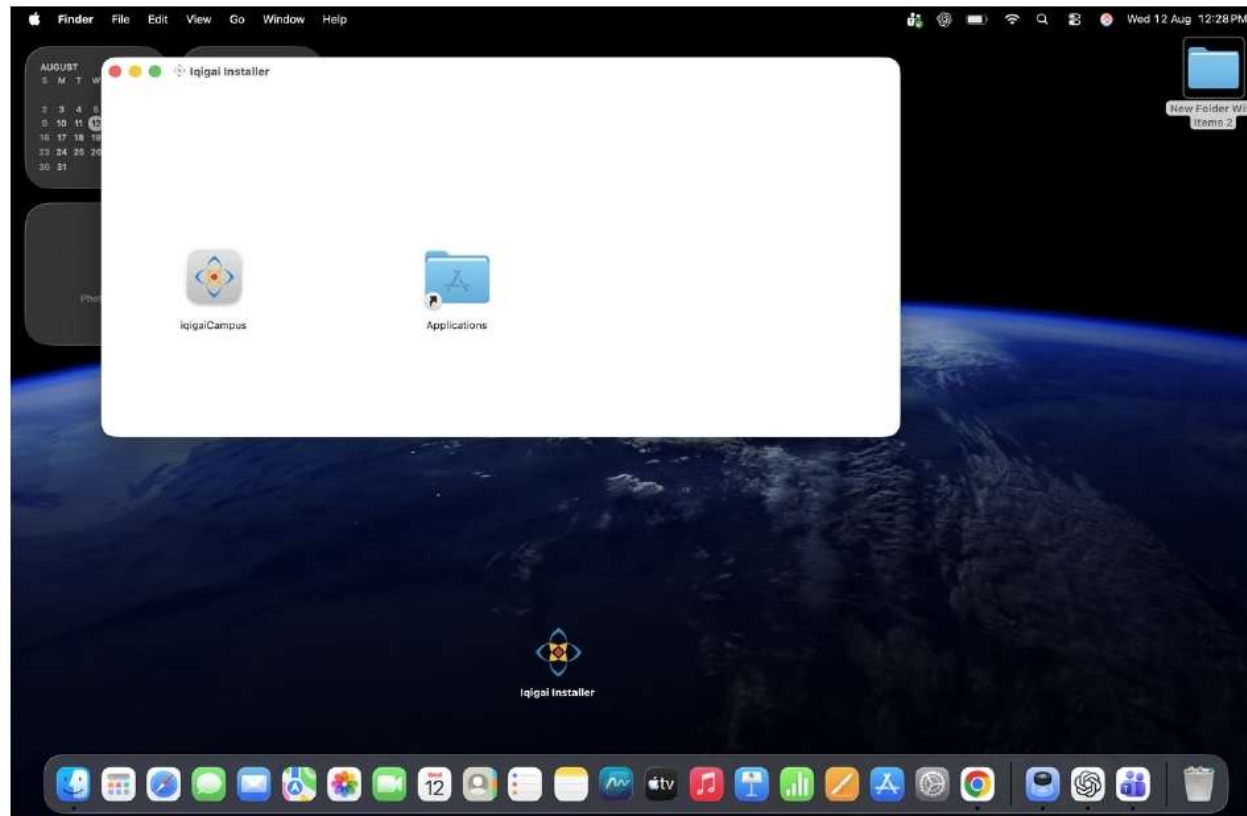

Install the DMG, allow the app through macOS security, then grant camera and microphone access.

Follow the steps in order. Screens may vary slightly by OS version.

MAC INSTALLATION

Open the DMG and copy iqigaiCampus to Applications

After the DMG opens, drag the iqigaiCampus icon onto the Applications folder.

What to do

- 1 Open the downloaded .dmg file.
- 2 Drag the iqigaiCampus icon to Applications.
- 3 Wait for the copy to complete.

Drag → Applications

MAC INSTALLATION

Locate iqigaiCampus in Applications

Open the Applications folder and find iqigaiCampus.

What to do

- 1 Open Applications on the Mac.
- 2 Scroll until iqigaiCampus is visible.
- 3 Open iqigaiCampus.

Handle the first macOS security warning

macOS may block the application because it cannot verify the publisher.

What to do

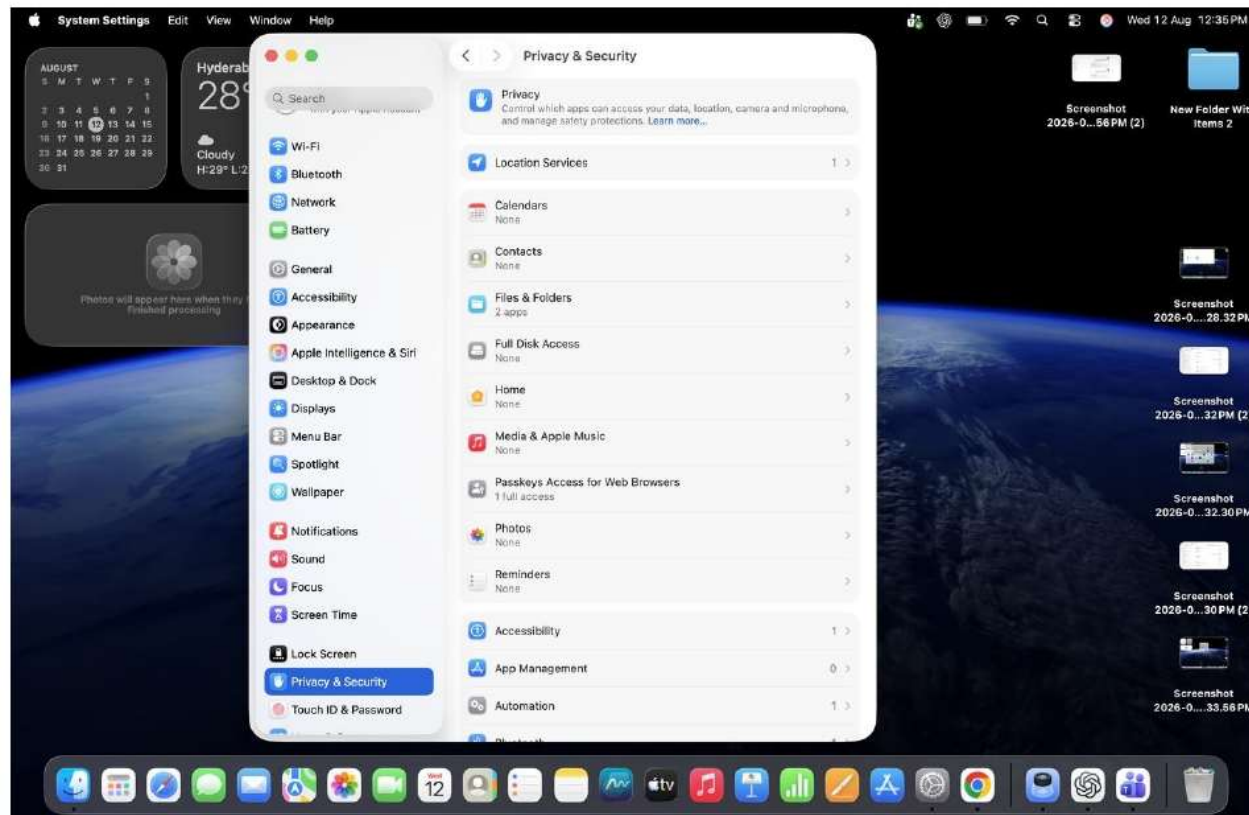

- 1 When the warning appears, do not move the app to Bin.
- 2 Click Done.
- 3 Continue to System Settings.

Do not click "Move to Bin"

MAC INSTALLATION

Open Privacy & Security

Navigate to System Settings → Privacy & Security.

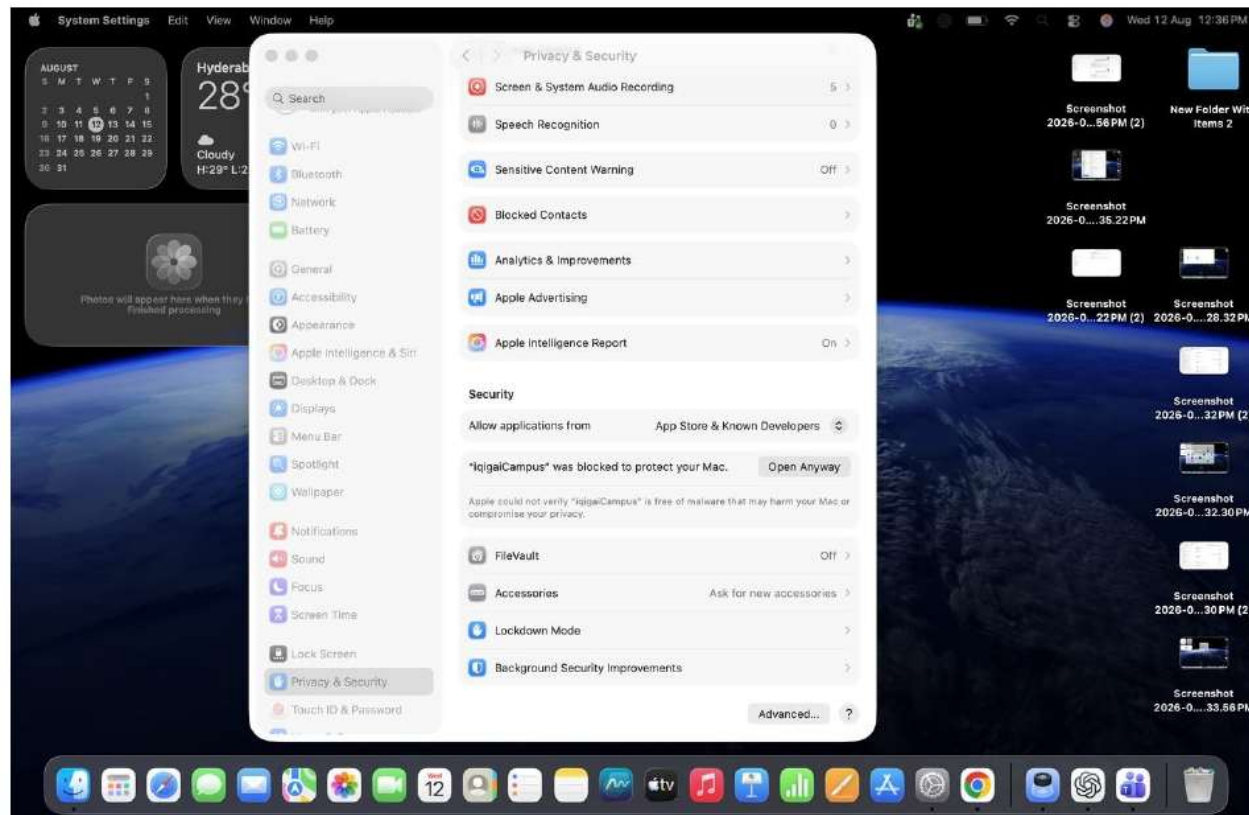

What to do

- 1 Click the Apple menu.
- 2 Open System Settings.
- 3 Select Privacy & Security in the left panel.

MAC INSTALLATION

Allow iqigaiCampus to open

Scroll to the Security section and allow the blocked app.

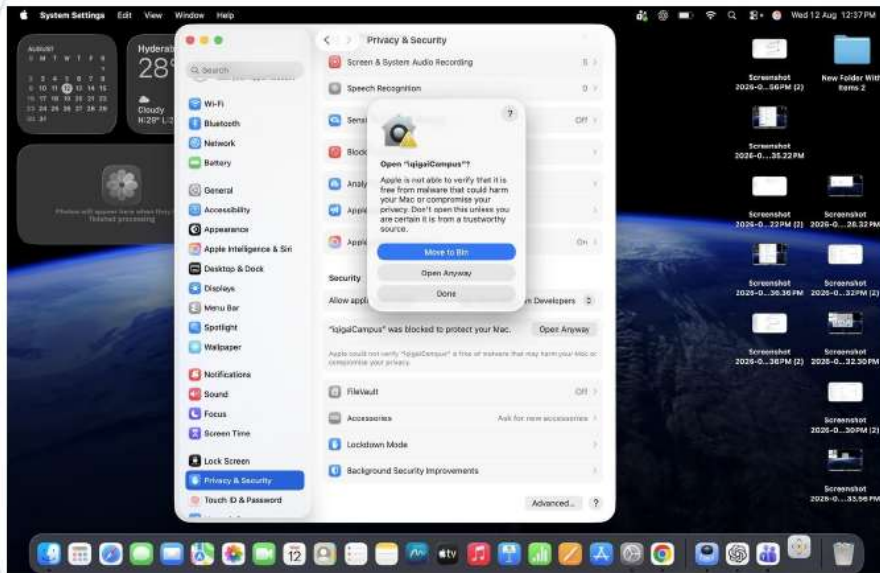

What to do

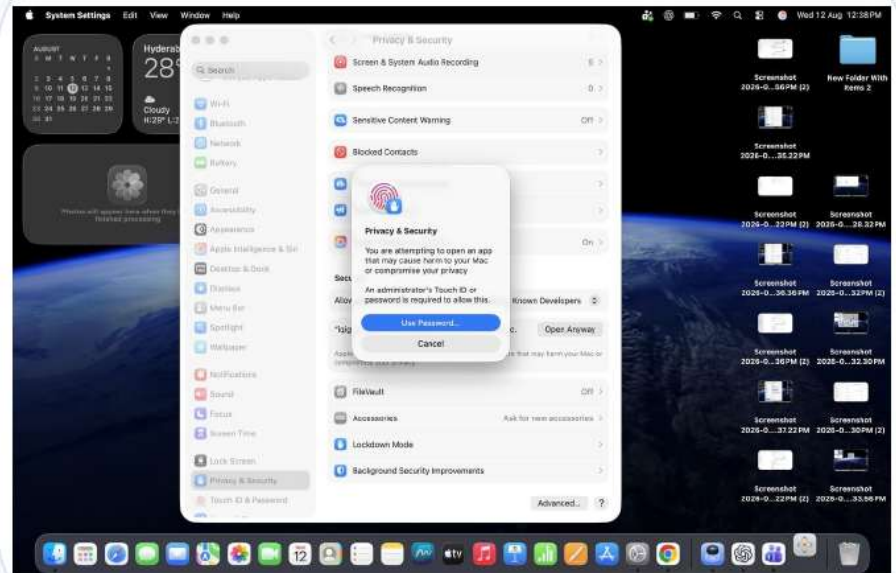

- 1 Scroll down to Security.
- 2 Find the iqigaiCampus blocked message.
- 3 Click Open Anyway.

Confirm “Open Anyway” and authenticate

macOS asks for a second confirmation and administrator authentication.

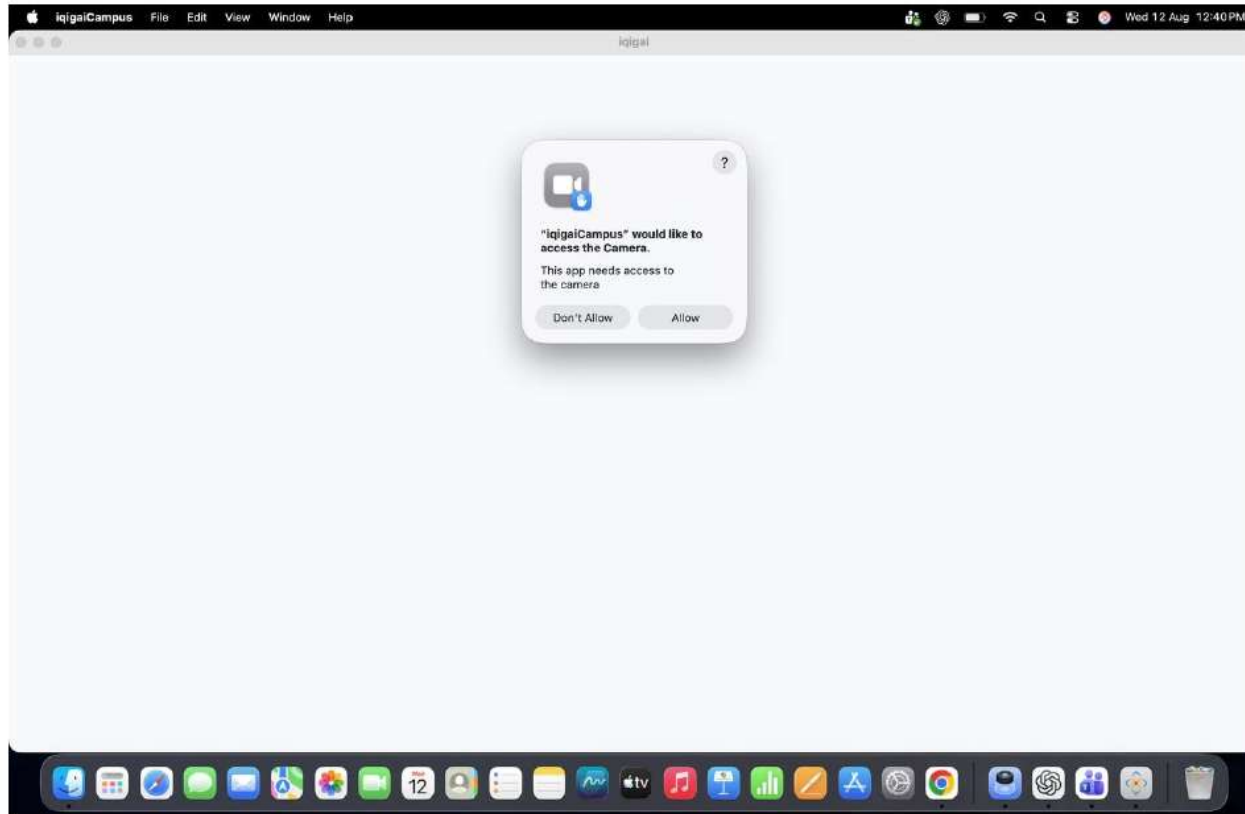

1. Click Open Anyway on the confirmation pop-up.

2. Authenticate with Touch ID or the Mac administrator password.

Allow Camera and Microphone permissions

Both permissions are required for assessment monitoring.

What to do

- 1 When Camera access is requested, click Allow.
- 2 When Microphone access is requested, click Allow.
- 3 Confirm that both permissions are enabled.

Both permissions are required

SECTION 2

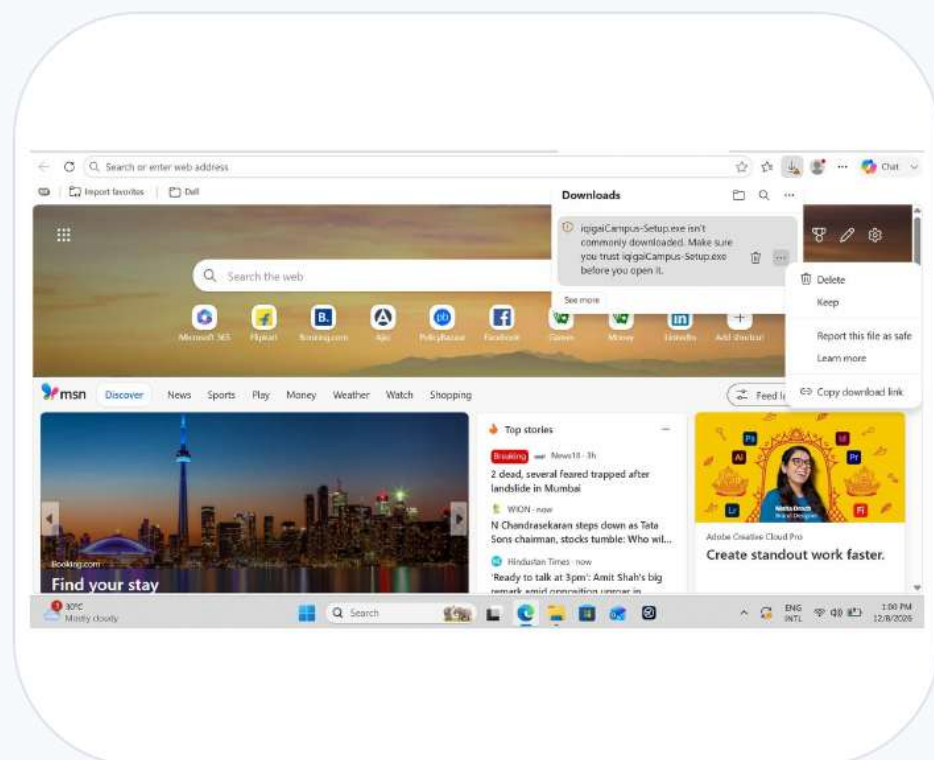

Windows installation

Keep the downloaded installer if Windows warns about it, run the EXE, and complete the setup wizard.

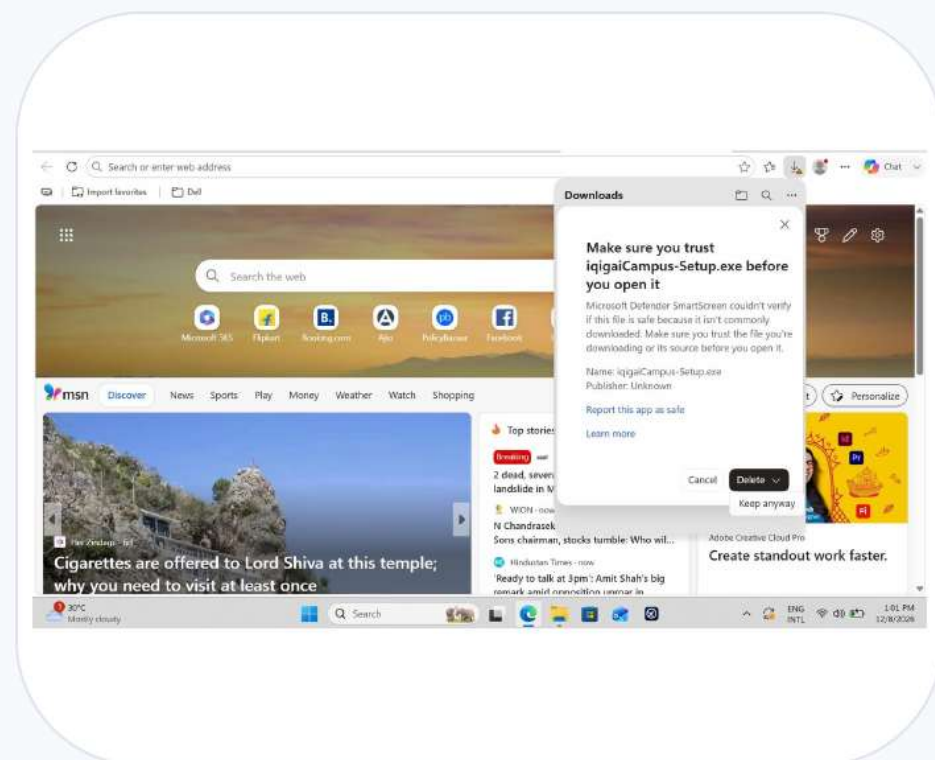

Follow the steps in order. Screens may vary slightly by OS version.

Keep the installer if Microsoft Edge warns about it

The EXE may be flagged as uncommon. Use the Keep options so the download can complete.

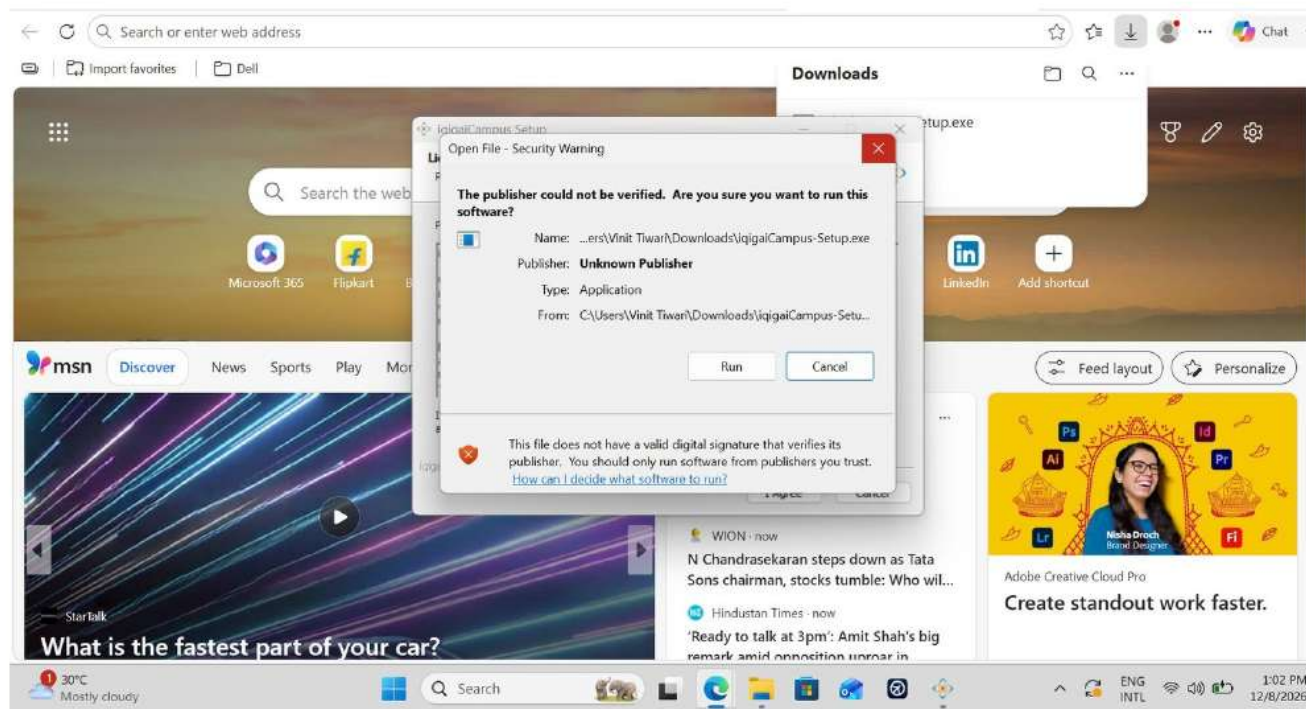

1. Open the download options and choose Keep.

2. If prompted again, choose Keep anyway.

Run the downloaded EXE

Windows may show an Unknown Publisher / Security Warning dialog.

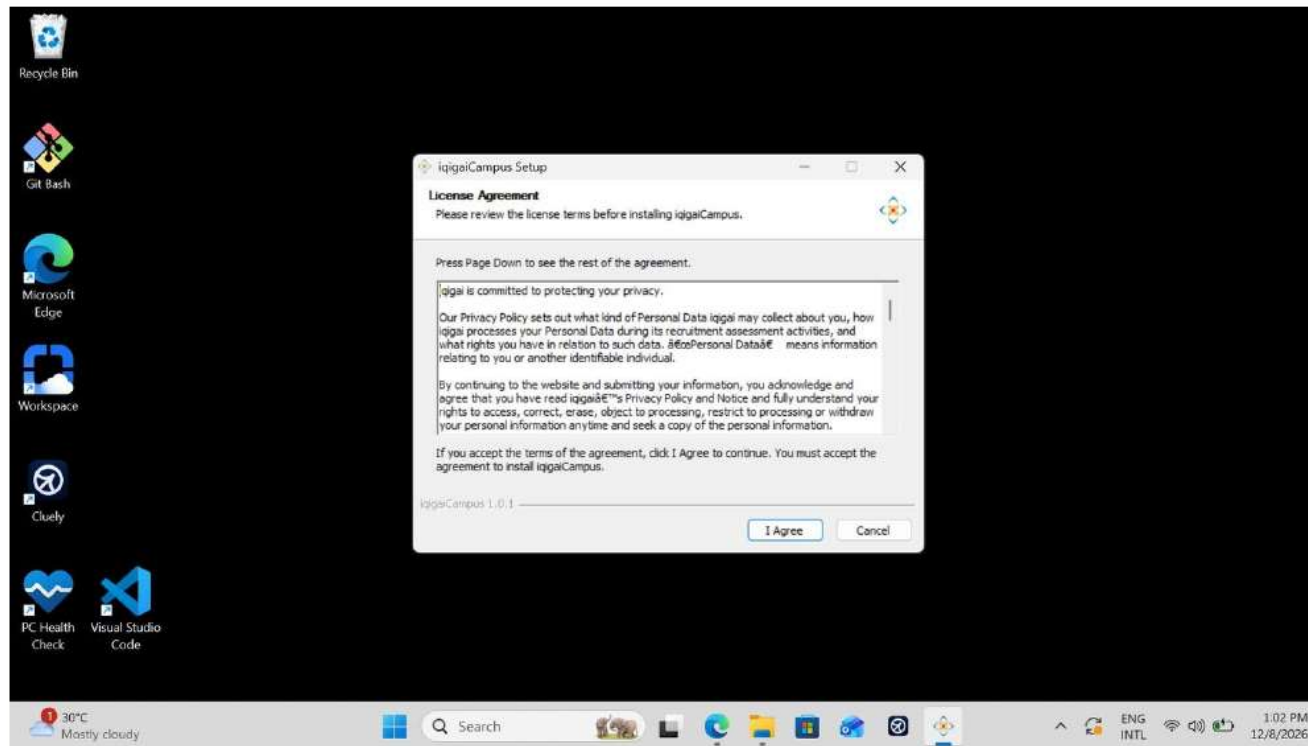

What to do

- 1 Open iqigaiCampus-Setup.exe.
- 2 If the publisher warning appears, verify the file name.
- 3 Click Run.

Accept the license agreement

Review the installer terms and continue.

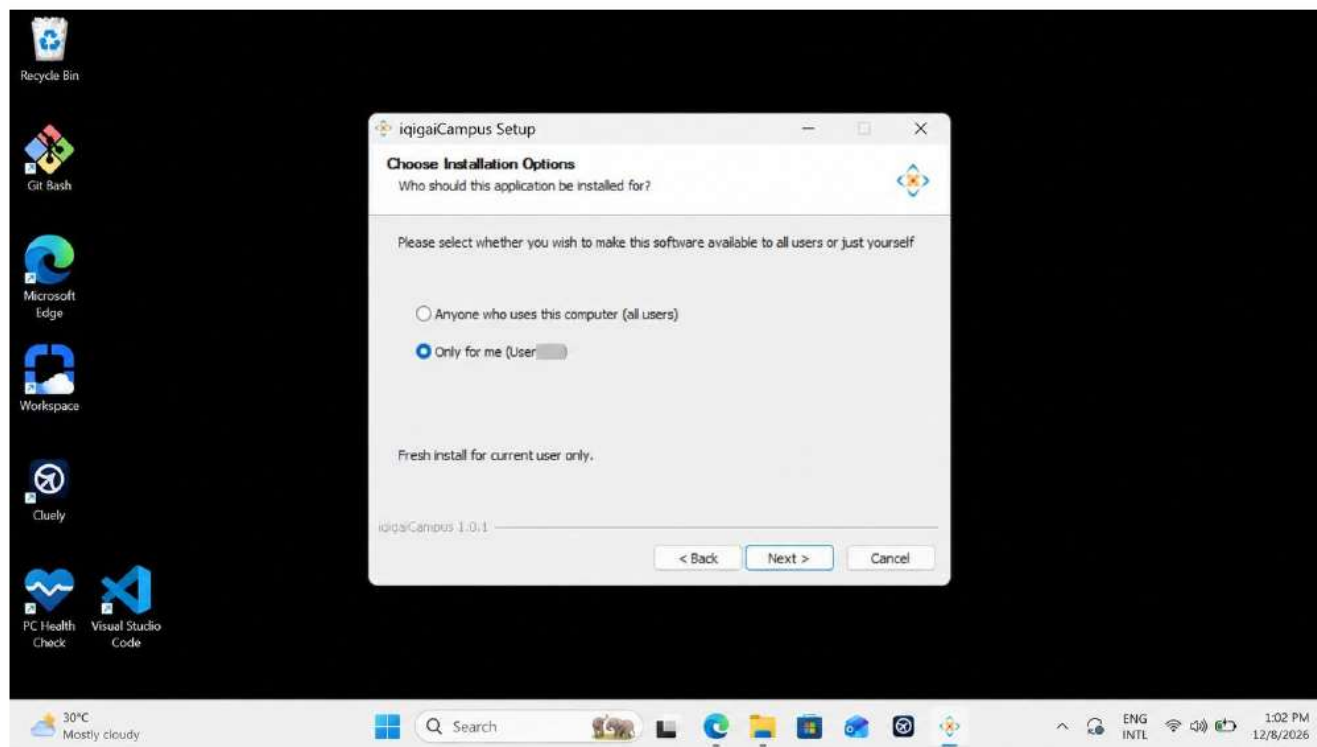

What to do

- 1 Review the license agreement.
- 2 Click I Agree.
- 3 Proceed to installation options.

Choose “Only for me”

If asked who the application should be installed for, use the current-user option.

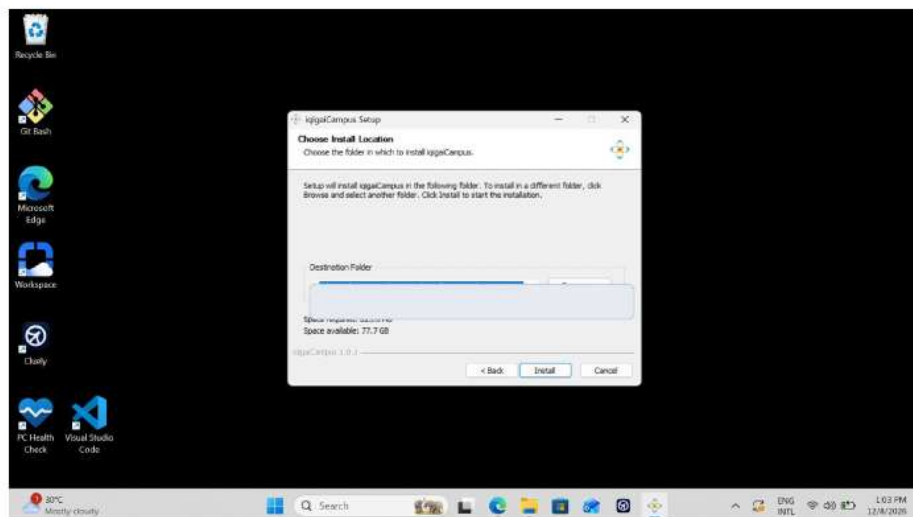

What to do

- 1 Select Only for me.
- 2 Do not use the all-users option unless instructed.
- 3 Click Next.

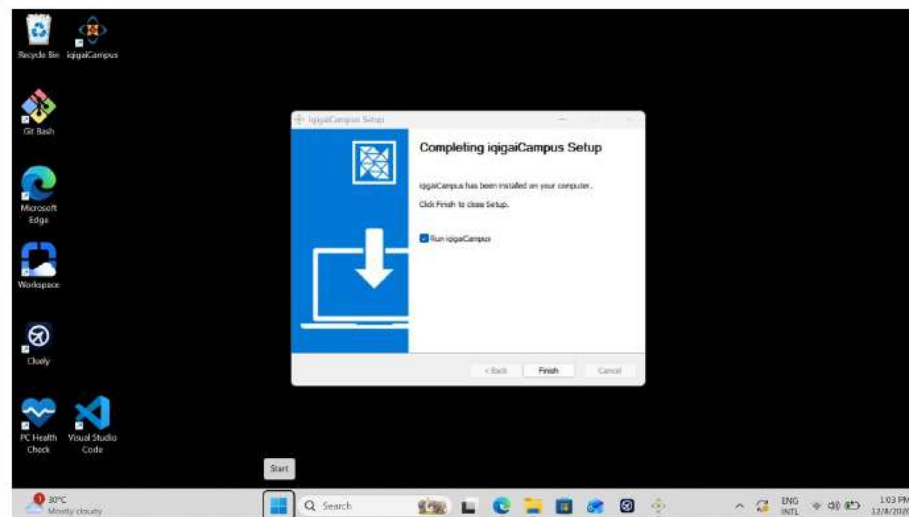

Username removed from screenshot

Install and launch iqigaiCampus

Use the default installation location, complete the setup, then run the app.

Keep the default folder and click Install.

Keep Run iqigaiCampus selected and click Finish.

SECTION 3

Using the app (Sign up and Setup in Advance)

From this point onward, the application workflow is common to Mac and Windows.

Follow the steps in order. Screens may vary slightly by OS version.

First-time user: click Sign Up

The app opens on the Login page. New users must create an account first.

The screenshot shows the login interface for iqigai.ai. At the top, the logo 'iqigai.ai' is displayed with the tagline 'ay fractal' below it. Below the logo, the text 'Welcome to iqigai' is followed by 'Sign In Now.' The login form consists of two input fields: 'Enter Mobile Number' with a dropdown menu showing '+91' and a 'Login with Email?' link, and a 'Password' field with a 'Forgot Password?' link. A blue 'Login' button is positioned below the password field. At the bottom, there is a link for 'Don't have an account? Sign Up' and a small red text note: 'Used OTP earlier? Set your password with 'Forgot Password'.'

What to do

- 1 Open iqigaiCampus.
- 2 On the Login page, click Sign Up.
- 3 Existing users can log in directly.

Create an account and verify OTPs

Enter the registration details, accept consent, and complete phone/email verification.

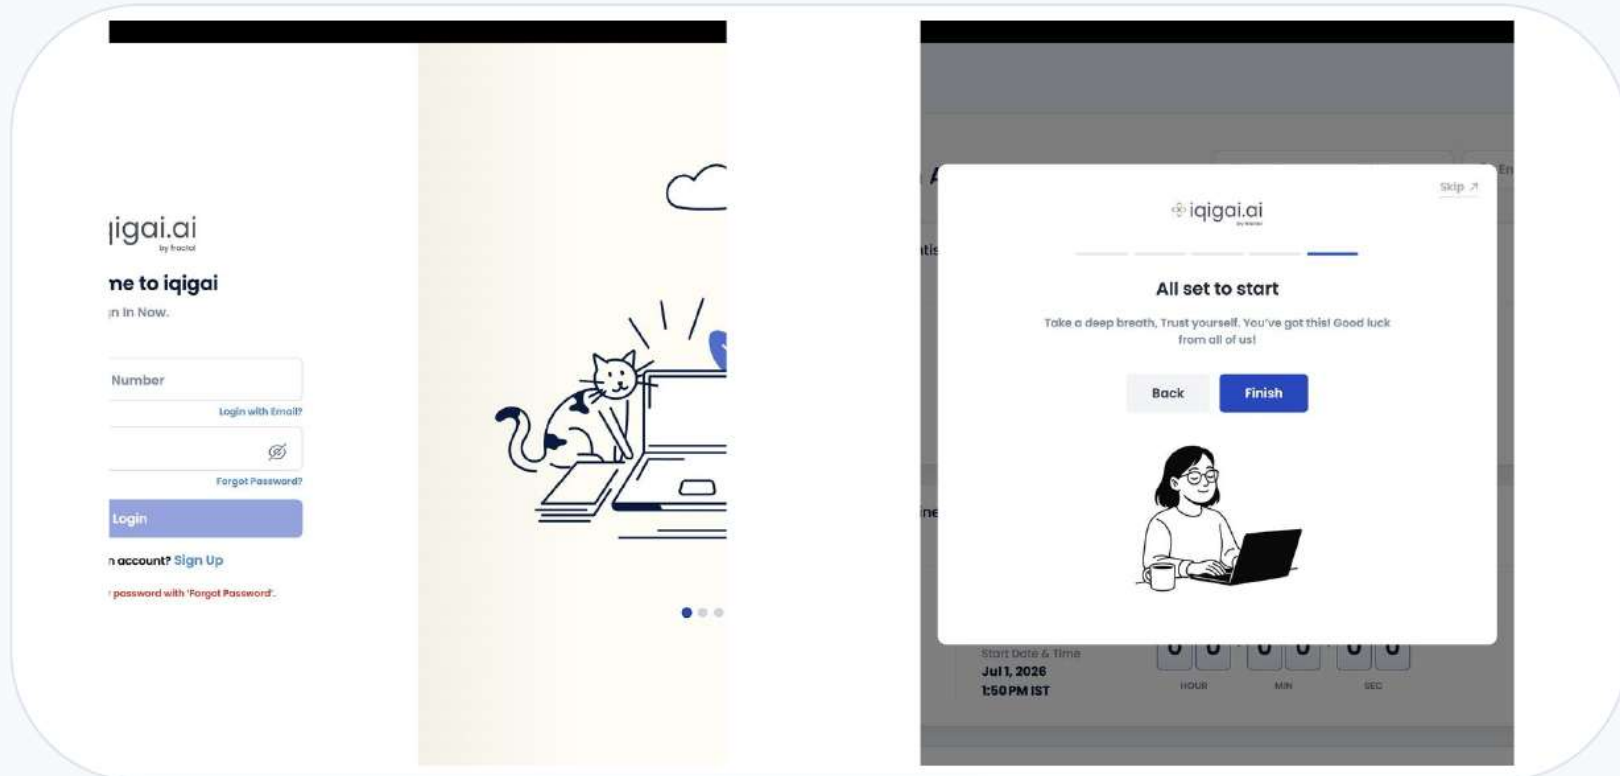

What to do

- 1 Enter Name, Email ID, Mobile Number, Password and Confirm Password.
- 2 Password and Confirm Password must match.
- 3 Select the consent checkbox and click Sign Up.
- 4 Verify the OTP sent to both phone and email.

COMMON APP FLOW

Log in and complete the first-time walkthrough

After OTP verification, return to Login and use the mobile number + password created during sign-up.

Login with registered mobile number + password.

Use Next or Skip through the walkthrough.

Click Finish on the last onboarding screen.

Upload Resume or Click Enter Details

The app opens on the Login page. New users must create an account first.

SECTION 4

Assessment Day

Follow the steps in order. Screens may vary slightly by OS version.

Enter assessment code and click search, then register

Enter the Drive ID provided to you. Registered drives then show a blue Start button.

The screenshot shows a user interface for a campus guide application. At the top right, there is a user profile section with a bell icon, a circular profile picture containing the initials 'GS', the name 'Gagandeep Singh', and a dropdown arrow. Below this is a large illustration of a computer monitor with a cursor icon pointing at it, and a potted plant with yellow leaves to its right. Under the illustration, the date 'Thursday, July 3, 2025' is displayed. A large heading reads 'Welcome, Gagandeep Singh'. Below the heading, a message states: 'Please enter the assessment code mentioned in your email or given by your college'. There is a search input field with a magnifying glass icon and the placeholder text 'Search for assessment through code'. Below the input field is a blue button labeled 'Search'.

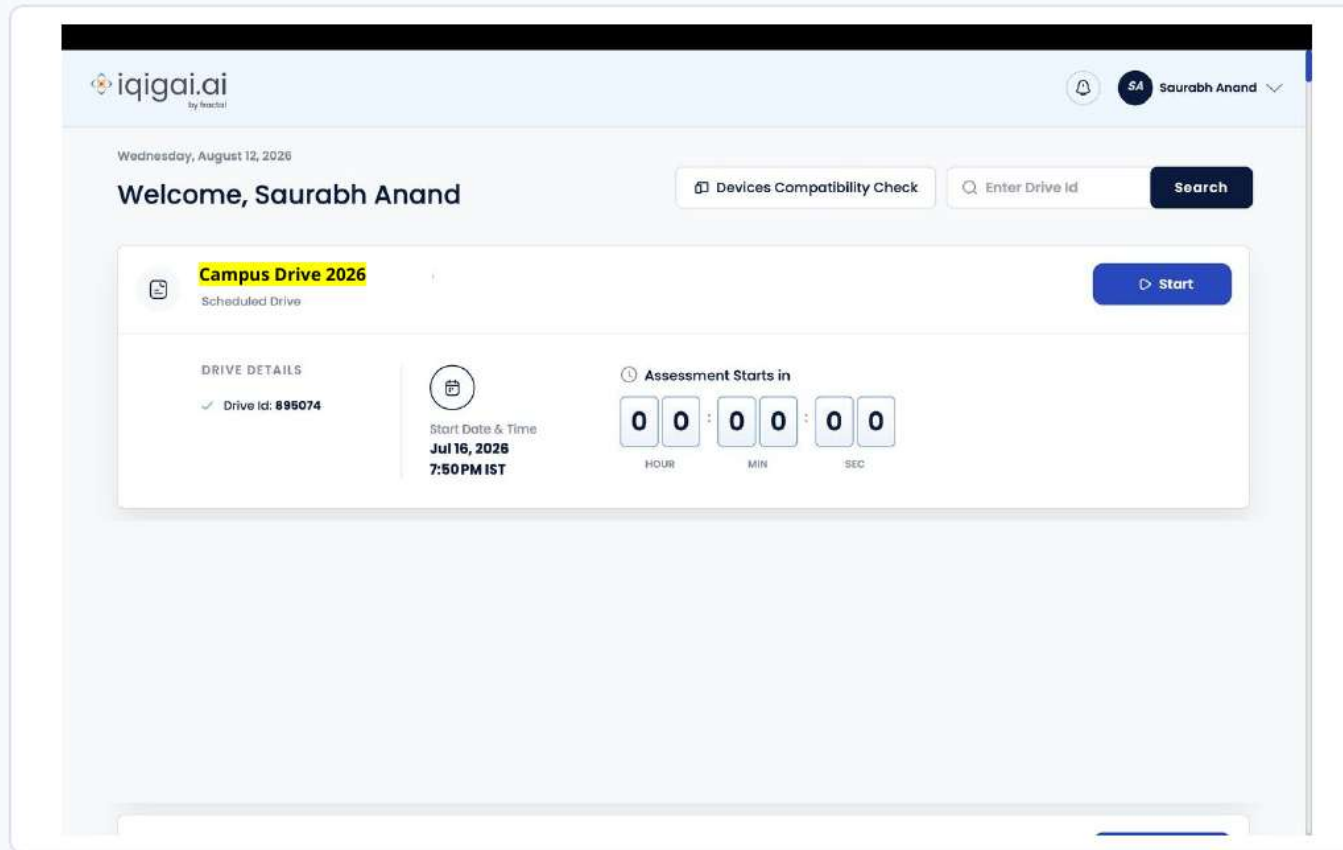

What to do

- 1 If no drive is registered, enter the provided Drive ID and click Search.
- 2 Register for the drive when prompted.
- 3 Once the drive appears on the dashboard, click Start.

Drive names and IDs are intentionally redacted

Register for a drive and start the assessment

Enter the Drive ID provided to you. Registered drives then show a blue Start button.

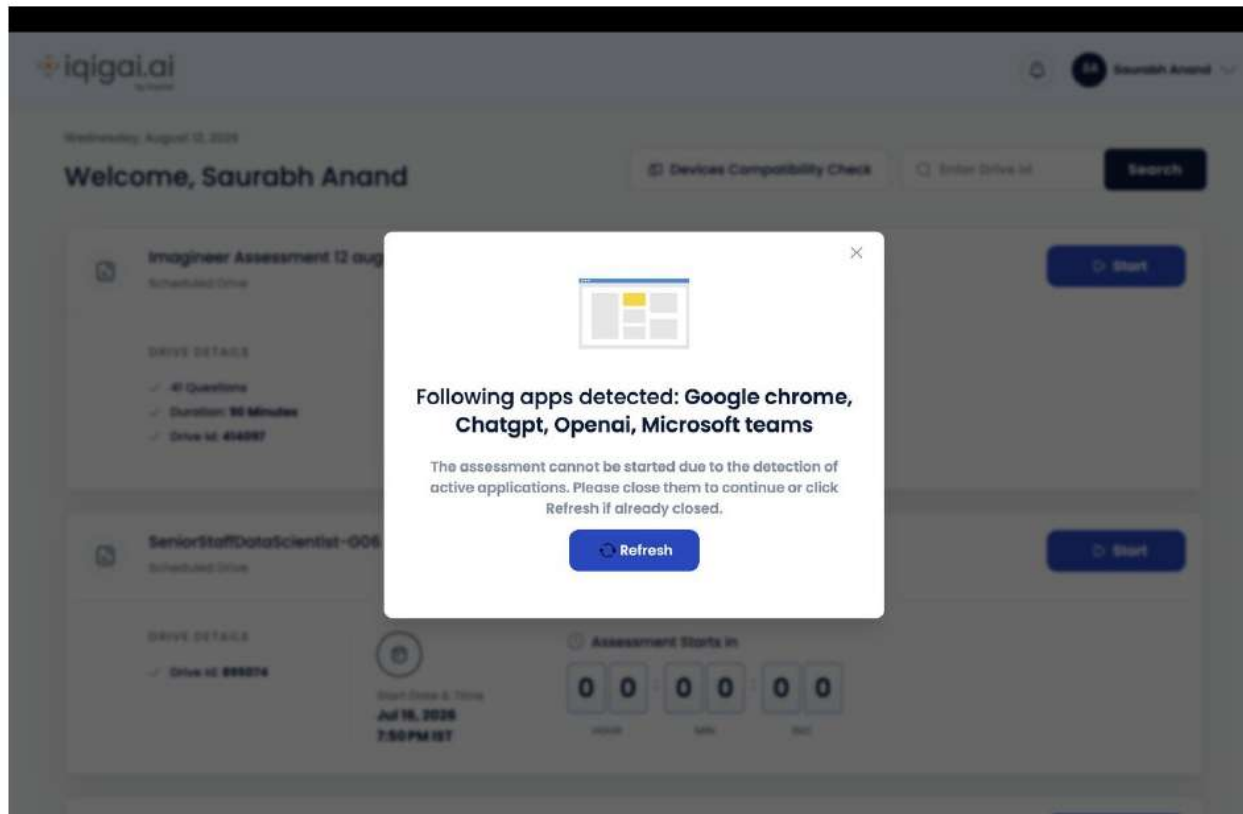

What to do

- 1 If no drive is registered, enter the provided Drive ID and click Search.
- 2 Register for the drive when prompted.
- 3 Once the drive appears on the dashboard, click Start.

Drive names and IDs are intentionally redacted

Close restricted apps, then Refresh

Before starting, iqigaiCampus checks for other active applications.

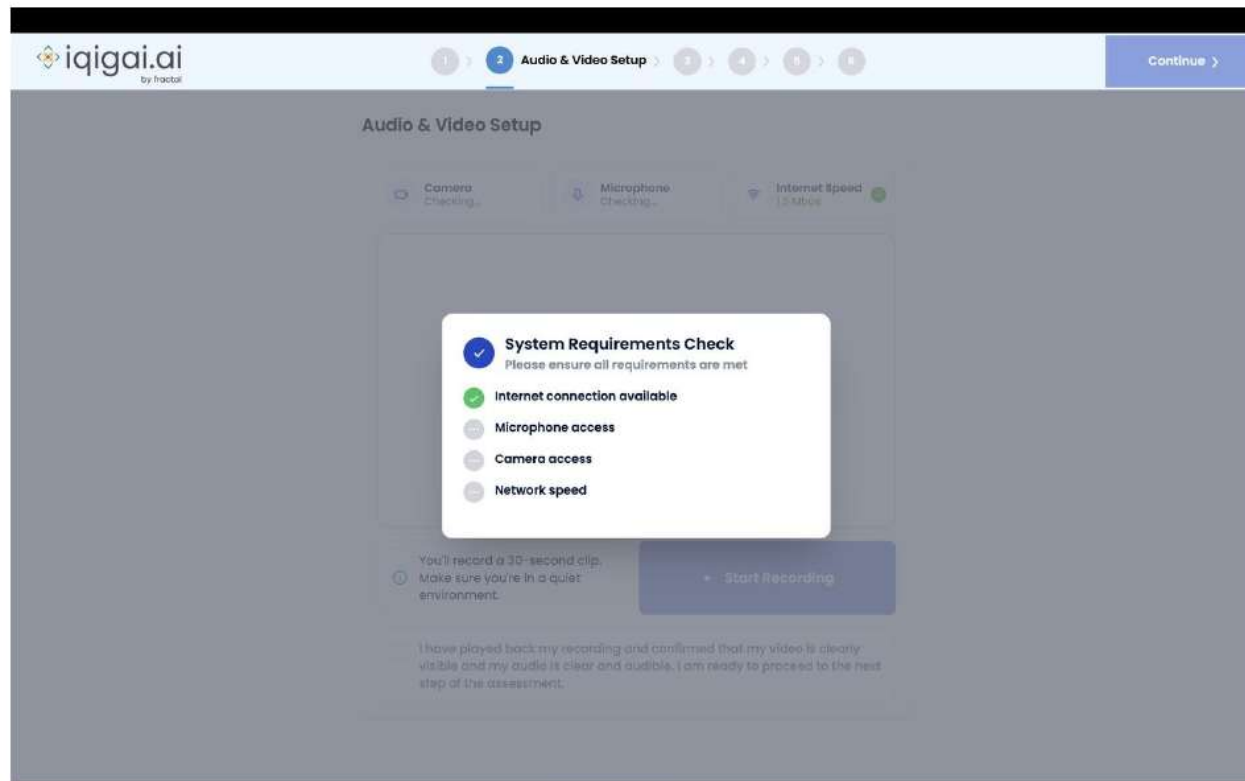

What to do

- 1 Review the list of detected applications.
- 2 Close every listed application manually.
- 3 Return to iqigaiCampus and click Refresh.
- 4 Proceed only when the check clears.

System requirements check

Internet, microphone, camera and network speed are checked before the assessment.

All rights reserved. 2026

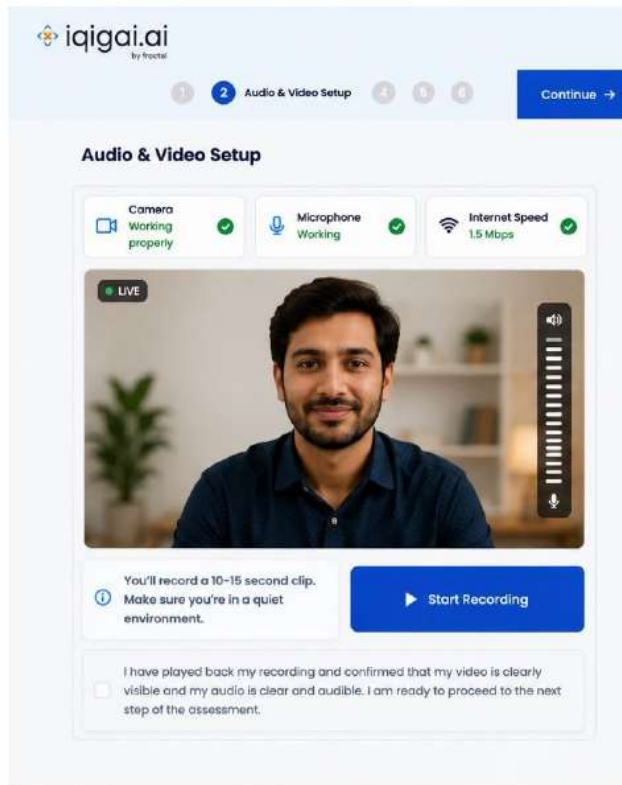

What to do

- 1 Wait for all checks to run.
- 2 If any item fails, fix the issue or permission.
- 3 Continue only after all requirements pass.

All required checks must pass

Verify Device Compatibility

Record for at least 10 seconds, play it back, and confirm the recording.

All rights reserved. 2026

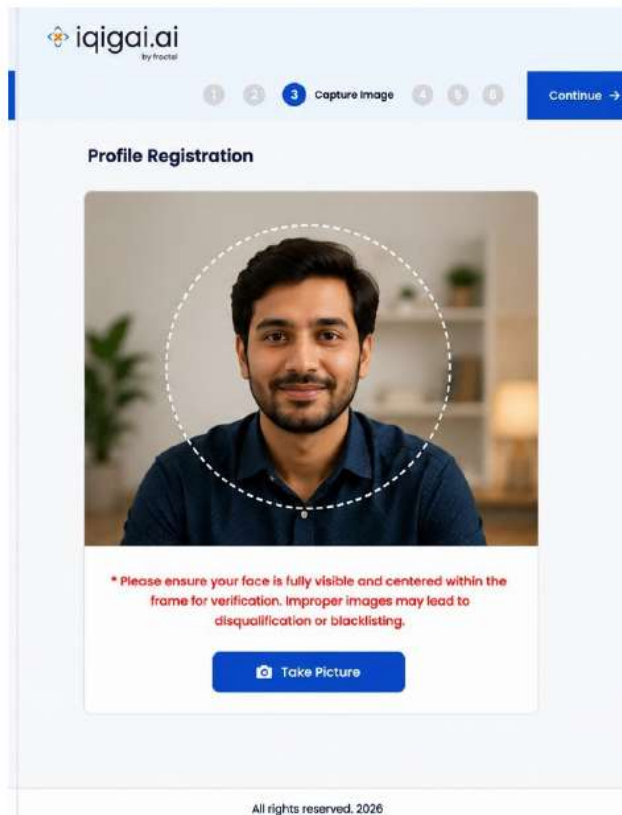

What to do

- 1 Click Start Recording and speak for at least 10 seconds.
- 2 Microphone status may initially show Not Working until voice is detected.
- 3 Play the recording back and confirm audio/video are clear.
- 4 Tick the confirmation checkbox to enable Continue.

Dummy person shown for privacy

Capture the profile picture

Center the face inside the guide and take a picture.

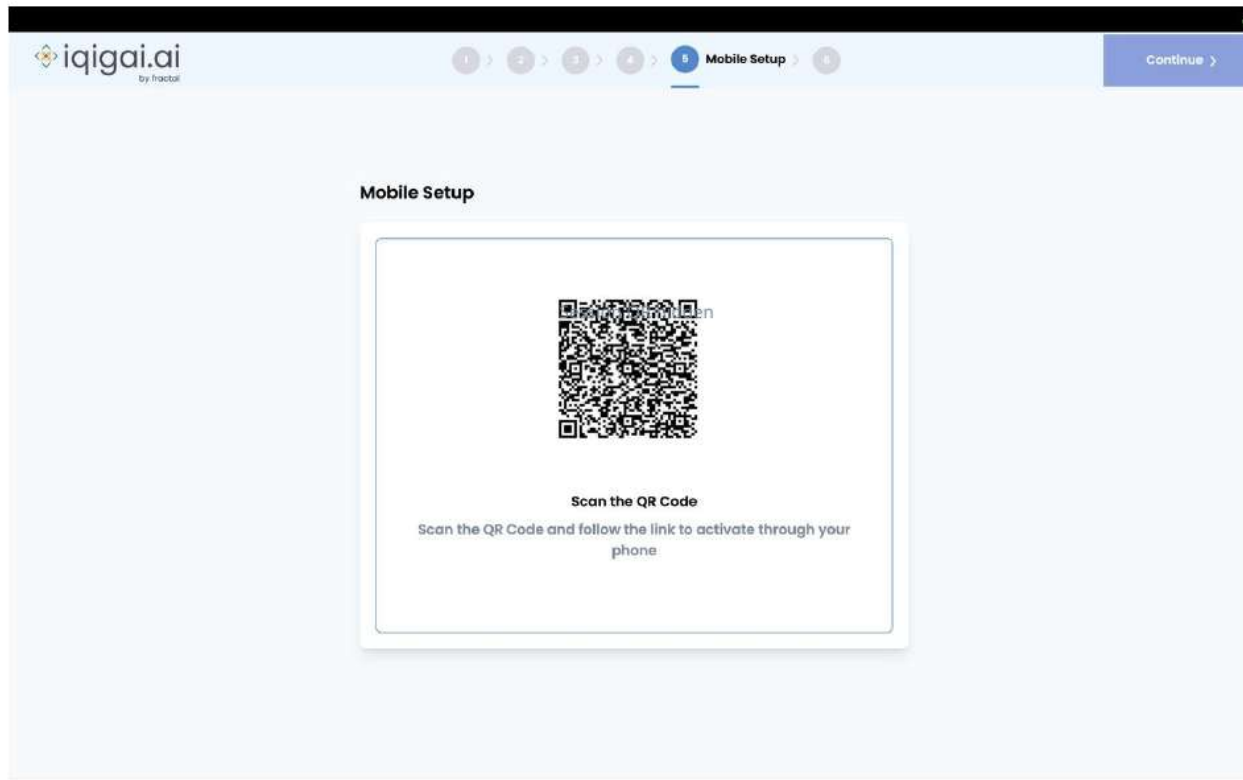

What to do

- 1 Position the face fully inside the circular guide.
- 2 Click Take Picture.
- 3 Submit the captured image.
- 4 Continue becomes enabled only after a valid image is captured.

Dummy person shown for privacy

Connect the secondary mobile device

Scan the QR code and allow camera/video access on the phone browser.

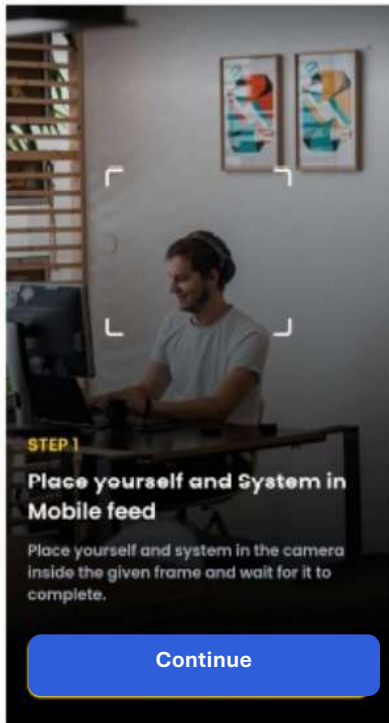

What to do

- 1 Use the phone camera, Google Lens or another QR reader.
- 2 Open the generated link on the phone.
- 3 Allow camera/video access and keep the phone connected during the assessment.

Session-specific QR code is redacted

Connect the secondary mobile device

Continue on Phone and place the mobile device on your desk

What to do

- 1 Click Continue on your phone
- 2 Once phone camera is open, place phone on desk
- 3 Place your phone in a way that you along with the laptop and your surrounding is clearly visible as shown in the reference image

Session-specific QR code is redacted

Enter your name on the Honor Code page

After mobile setup, the Honor Code page appears.

Honor Code for iqigai Assessment

I, Saurabh Anand, solemnly pledge to uphold the highest standards of integrity, honesty, and fairness during the iqigai assessment. By participating in this assessment, I commit to the following:

Fair Conduct:

- I will complete the assessment independently and without assistance from any external source.
- I will not engage in any form of cheating, plagiarism, or dishonest behaviour.
- I will not copy, share, or disclose any assessment questions or content with others.

Monitoring and Recording:

- I understand that my video and audio feeds will be recorded throughout the assessment.
- I consent to the use of AI Proctoring System to monitor my activity during the test.

Consequences of Cheating:

- I acknowledge that any attempt to cheat will be flagged by the AI Proctoring System.
- I understand that flagged instances will be reported to the Recruiter for review.
- I accept that, if deemed guilty of cheating, I will be blacklisted from future assessments at iqigai for life.

I affirm that I have read, understood, and willingly agree to abide by this Honor Code..

Candidate Full Name *

Enter full name

What to do

- 1 Review the Honor Code.
- 2 Enter your full name manually.
- 3 Click Next in the top-right corner.

Personal name removed from screenshot

Answer questions and save each response

Questions appear on the left and answer options on the right.

The screenshot displays the iqigai.ai assessment interface. At the top, the logo 'iqigai.ai by fractal' is on the left, 'Section: Quantitative Reasoning' is in the center, and 'Attempted' with a green dot is on the right. A timer shows '15:59 min' and '02:00 min/question'. Below the header, a row of question numbers 1 through 8 is shown, with '1' highlighted. To the right, it says 'Questions 0 / 8 Attempted'. The main area is split into two columns. The left column contains 'Question : 1' and a question: 'A rectangular garden is to be 4 times as long as it is wide. If 1080 yards of fencing, including the gate, will completely enclose the garden, what will be the length of the garden, in yards?'. The right column is titled 'ENTER RESPONSE' and 'Select any one:'. It lists five options: (A) 540, (B) 216, (C) 720, (D) 360, and (E) 432. At the bottom, there are four buttons: 'End Section', 'Report question', 'Scan QR Code', and 'Save & Proceed'.

All rights reserved. 2026

What to do

- 1 Select an answer option.
- 2 Click Save & Proceed to save the response.
- 3 Spend at least 10–15 seconds per question.
- 4 Keep the overall assessment session running for at least 30 minutes.

Actual assessment content is redacted

SQL question: copy, execute and save

Use this sample only to verify that the SQL editor, Execute/Run action and Save flow work.

```
1 SELECT * FROM sam ple_table;
```

Tester action

- 1 Copy the sample query.
- 2 Paste it into the SQL editor.
- 3 Click Execute / Run.
- 4 Save the response.

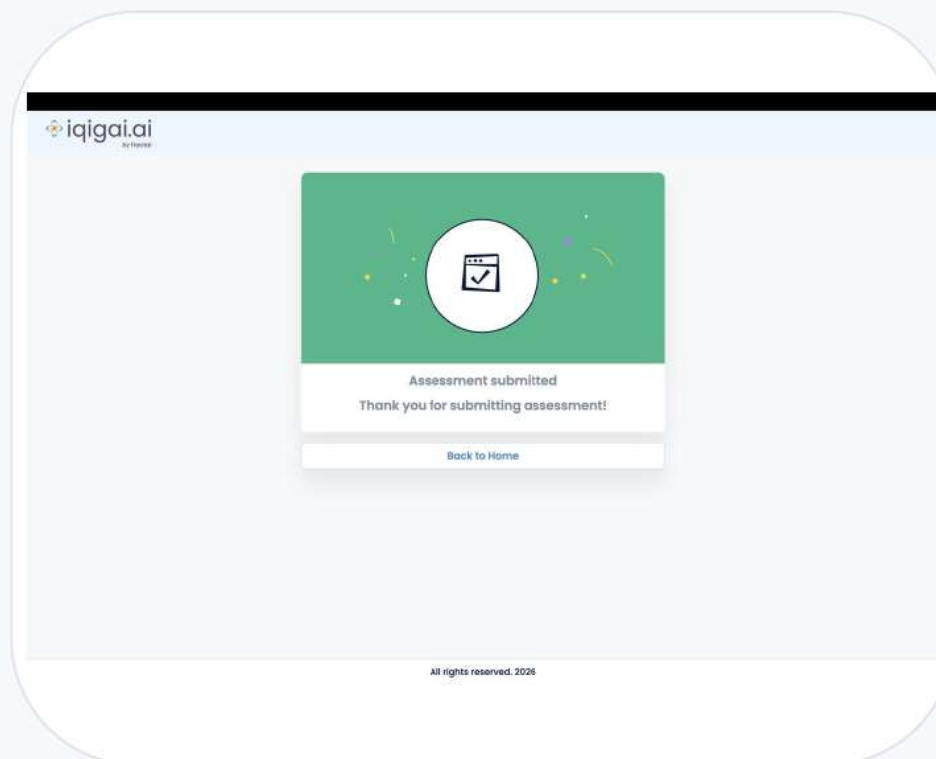

The query is intentionally generic. It only needs correct SQL syntax; it does not need to return data.

Submit the assessment and wait for 100%

Do not close the application while the upload is in progress.

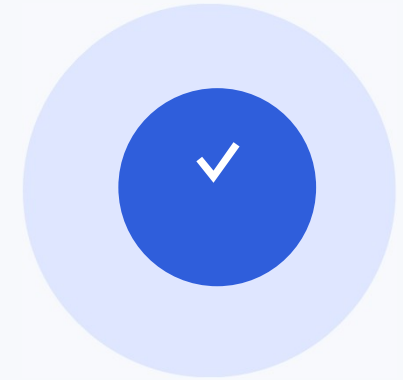

Wait until upload progress reaches 100%. Do not close the app/window before completion.

When "Assessment submitted" appears, click Back to Home.

Good luck!

You're ready for your assessment.

1

Stay focused

Read each question carefully and take your time.

2

Keep devices connected

Keep your laptop and secondary mobile device active throughout.

3

Wait for submission

At the end, do not close the app until upload reaches 100%.

All the best!
